CLERK: 30 ayes, 0 nays to introduce the bill, Mr. President.

PRESIDENT: The request is granted. Read the bill.

CLERK: LB 926, Mr. President. Title read. Mr. President, Senator DeCamp now moves to introduce Request #1371 by the Banking, Commerce and Insurance Committee.

SENATOR DeCAMP: Mr. President, members of the Legislature, this is a bill dealing with auto clubs, I think, isn't it? Is that what it is? That is what it is.

PRESIDENT: Senator Bereuter, do you wish to be heard on this request?

SENATOR BEREUTER: Mr. President, I did not understand the explanation of the bill.

PRESIDENT: All right. Senator DeCamp. Some members would like you to be more lucid in your explanation.

SENATOR DeCAMP: (Mike off) there are no regulations for auto clubs in the insurance area. Some of the auto clubs are getting involved in the insurance area. We have to have some standards or regulations so that we don't have problems. That is all it is. As I understand, there is no opposition to it but it was brought in by all the auto clubs.

PRESIDENT: Senator Duis, do you wish to speak to the request?

SENATOR DUIS: Yes, I do. I want to ask Senator DeCamp a question. I wasn't here when this bill was brought to you and I received a phone call on it this morning but I don't quite understand your explanation when you say some of them are about to get into this, why,.....

SENATOR DeCAMP: Some of them are already in it, Senator Duis, it is my understanding.

SENATOR DUIS:the Triple A has been in for a long, long time and so has NMC, National Motor Club, and all the rest of them.

SENATOR DeCAMP: We aren't going to debate the whole bill now. I am just asking to introduce the bill so we can find out what needs to be done or whether anything needs to be done.

SENATOR DUIS: Well, I am going to ask this question of you. Who requested the introduction of the bill?
